A Waterless Urinal for the Master Bathroom

The use of Waterless No-Flush™ Urinals in schools, airports, factories, and military installations prove they save water, energy, are easy to maintain, and are odor free.

And now they are available for the master bathroom as well. The new Del Mar™ and Del Casa™ Waterless No-Flush Urinals are perfect for residential settings or wherever weight and space are concerns. They are small, attractive, easy to install and are available in a host of colors.
