All-New Natural Corn Brooms

Pro-Link, Inc., introduces a new line of natural corn brooms tailored to meet all types of sweeping needs.

These brooms come in seven industry standard sizes, from small 6" hand-held whisk brooms to large 12", heavy-duty brooms made for cleaning industrial facilities.

Offered in two to five bands, these corn brooms are designed to meet Pro-Link's specifications for top-quality performance, ease of use, and durability. They have been designed and constructed for use in all kinds of jobs including sweeping oil and liquids.

About Pro-Link

Pro-Link, which was founded in 1984, is a national full-service janitorial supply, marketing, and buying organization. Based in Canton, MA, this jansan-focused organization currently has more than 70 members and over

100 distribution points throughout the United States. Pro-Link provides its distributor-members and customers with a nationally-recognized brand of high quality products and services that help deliver consistently cleaner facilities at lower total cost. With a sales force of industry professionals, the organization also provides national field support, troubleshooting, and training for members and end-customers. Pro-Link has developed a sophisticated program for national accounts allowing for centralized procurement, online ordering, and advanced reporting, all supported by fast delivery and service.
