ALL-NEW GREEN PAPER TOWELS AND TISSUE FROM PRO-LINK

Pro-Link introduces a new line of Green Seal–certified paper towels and tissue.

Meeting the strictest of environmental standards and manufactured without chlorine bleach, these towels/tissues have no added pigments, dyes, or fragrances, and they are made from 100 percent recycled wastepaper. This makes them among the Greenest towels and tissues on the market today.

But Green is not everything. Users will find these towels/tissues comparable to the best conventional paper products available—just better for the environment.

About Pro-Link

Pro-Link, which was founded in 1984, is a national full-service janitorial supply, marketing, and buying organization. Based in Canton, MA, this jansan-focused organization currently has more than 70 members and over 100 distribution points throughout the United States. Pro-Link provides its distributor-members and customers with a nationally-recognized brand of high quality products and services that help deliver consistently cleaner facilities at lower total cost. With a sales force of industry professionals, the organization also provides national field support, troubleshooting, and training for members and end-customers. Pro-Link has developed a sophisticated program for national accounts allowing for centralized procurement, online ordering, and advanced reporting, all supported by fast delivery and service.
