Cannon Hygiene, Inc.

Release date: February 2, 2008

Revolutionary Hand Dryer Now Available from Cannon Hygiene USA

Cannon Hygiene USA introduces the Dyson Airblade-which dries hands in just 12 seconds making it the fastest most hygienic hand dryer available.

Additionally, the Airblade is:

- o Cost Effective: Delivers cost savings of nearly 98 percent compared to paper towels
- o Energy Efficient: Uses up to 80 percent less energy than conventional hand dryers
- o Hygienic: HEPA filtered to remove bacteria from the air

The Dyson Airblade is endorsed by the British Skin Foundation, the Royal Institute of Public Health, and certified by the NSF International.*

For more information, email info@cannonhygiene.us

* NSF International, formerly the National Sanitation Foundation, is an independent, non-profit organization committed to public health protection.

About Cannon Hygiene USA

Cannon Hygiene is one of the world's top hygiene services businesses. Based in Lancashire, England, it is responsible for maintaining health and hygiene standards for some of Britain's royal households including Buckingham Palace.

Today, the company's products are found in more than 30 countries around the world. It is now bringing its expertise to America's shores.

Cannon Hygiene's a wide range of products and services are tailored to the needs of companies and organizations large and small. Its products and services ensure that that restroom hygiene is maintained at a constant and controlled level, specific to the needs of each facility. It is particular interested in the needs of women, especially when it comes to the disposal of feminine hygiene products.
