Matting System protects facilities from contaminants.

Total-Care 3-Mat System keeps contaminants outside and includes Fore-Runner, which scrapes soils from shoe bottoms; Cross-Over, which scrapes off additional soils and also wipes clean shoe bottoms, and Walk-A-Way, which removes all remaining dirt, grit, and moisture. Available in variety of colors, 15 ft matting system is stain- and fade-resistant.

Total-Care 3-Mat System Introduced

The Total-Care 3-Mat System from Crown Mats effectively keeps contaminants outside, protecting the health of facilities.

The 15-foot matting system includes the Fore-Runner, which scrapes soils from shoe bottoms; the Cross-Over, which further scrapes off soils and also wipes clean shoe bottoms; and finally the Walk-A-Way, which removes virtually all remaining dirt, grit, and moisture.

The Total-Care System is designed for years of heavy use, is stain and fade resistant, and comes in a variety of colors.

For more information, visit www.crown-mats.com or call toll-free: 800-628-5463.

About Crown Mats and Matting

For more than 60 years, Crown Mats and Matting has been a pioneer in the development and manufacture of matting products. Beginning with the invention of walk-off matting by the company's founder, R.P. Johnson, the company now has the most diverse matting product line offered in our industry. Crown sells matting through an extensive network of highly trained sales representatives in all 50 states. These sales experts are familiar with the features and benefits of all matting systems and are able to help their clients find the right system for virtually all applications.
