Enviro-Solutions Hires New Regional Sales Manager

Peterborough, ON (Canada) — Enviro-Solutions, manufacturer of green cleaning chemicals and products, has added Brian Cossette to its sales team. Cossette will be joining the company effective July 1, 2011 as regional sales manager for the New England and New York City area.

Cossette has considerable jan/san industry experience, including growing a building service contractor business from one employee to 63, as well as serving as regional manager of facilities with 58 locations for a health care provider.

An ISO-9001 certified company, Enviro-Solutions was established in 1994. For more information, visit www.enviro-solution.com.
