Past president of JanSan supply association joins Enviro-Solutions team

PETERBOROUGH, Ontario — Jack Robertson of Robertson Sales Association, Atlanta, GA, a JanSan manufacturer's rep agency, has recently taken on the complete Enviro-Solutions product line. Enviro-Solutions is a leading manufacturer of environmentally preferable cleaning products. Based in Peterborough, Ontario, the company has been manufacturing green cleaning chemicals and products for nearly 15 years.

According to Mike Sawchuk, vice president and general manager for Enviro-Solutions, Robertson has close to 30 years of experience in the JanSan industry.

In addition to being past president of the Georgia Sanitary Supply Association, he was also:

- Vice president of sales for Kelsan Inc., a 50-year-old JanSan distributorship based in Knoxville, TN
- Vice president and general manager of Amsan Maintenance Equipment Company, a large distributorship based in Atlanta.

Jack has a solid reputation and is respected throughout the JanSan industry," says Sawchuk. "We are confident that he will bring significant value to our company and our distributors as they grow their sales."

According to Robertson, "With the growing interest in green cleaning products, I am proud to be working with Enviro-Solutions, one of the leaders in the industry."

For more information, contact Robertson at 770-755-5770, or visit www.enviro-solution.com.

About Enviro-Solutions

Enviro-Solutions is a leading manufacturer of environmentally preferable cleaning products. An ISO-9001 certified company, Enviro-Solutions was established in 1994 with very focused goals: To develop and market a superior line of environmentally preferable cleaning products and solutions. Using advanced technology, the company manufactures products that offer proven safety, health, and environment benefits without sacrificing product performance and are competitively in price.

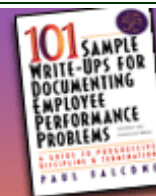

Visit the Enviro-Solutions website for more information on green cleaning, selling green cleaning products, technical reports, presentations, and a list of other helpful sites for more information.
