Green-Certified Facial Tissue

Pro-Link's Green-certified facial tissue is soft and absorbent and promotes sustainability because it's made from 100 percent recycled material.

Perfect for all types of Green facilities, especially hotel/lodging properties, Pro-Link's Green-certified facial tissue is manufactured using pre- and post-consumer wastepaper.

The tissue fits perfectly into most existing restroom fixtures and even features a lint guard to help keep tissues clean and dust free.

What's more, end users get 50 percent more product per case with Pro-Link's Green-certified facial tissue than comparable facial tissues, saving time and maintenance.
