Hot Water Carpet Extractor is designed for portability.

June 13, 2011 - CRI-certified PEX series has upright dolly design with roller handles to facilitate maneuvering and transport. For maintenance, hinged tank opens for full access to internal components. Wand caddy has retractable hose wrap, and rear wheels are sized to facilitate going up and down stairs. Available models include PEX 500 and PEX 200, which are adjustable from 50 to 500 and 200 psi, respectively.

Hot Water Carpet Extractor is designed for portability.

maneuvering and transport.

The wand caddy has a retractable hose wrap, and the large rear wheels make going up and down stairs easy.

As for maintenance, it just does not get any better. Simply open the hinged tank for full access to internal components.
