

## **HydraMaster offers extended warranty**

7/28/2008 12:27:40 PM

MUKILTEO, WA — [HydraMaster](#) announced a new extended warranty program for all purchasers of the company's clutch drive or CDS™ systems, according to a press release.

The new CDS XtraCare™ system doubles the company's Golden Guarantee limited warranty.

With XtraCare protection, an additional 12 months of coverage is added, giving machine users warranty protection for a total of 24 months, or 2,000 hours, whichever comes first.

For specific details and costs, contact HydraMaster.
