## Press Release

Release date: November 12, 2007

### SystemSure Plus Makes Sure Its Clean

Hygiena, has just released its newest rapid detection equipment system, the SystemSURE Plus ATP hygiene monitoring system. This new sanitation monitoring system is used to gauge performance of cleaning processes and to verify that cleaning has been done. The SystemSURE Plus detects both microbial and non-microbial contamination in just 15 seconds allowing cleaning professionals to verify cleaning on the spot and record the results.

For more information, visit [www.hygiena.net](http://www.hygiena.net) or call toll free 1 805.388.8007

#### About Hygiena

Hygiena is a microbiology and life science company that serves several industries including industrial food processors, grocery and supermarkets, healthcare, jansan, life science researchers, hotel, restaurant, and hospitality. Hygiena manufactures and sells a broad range of rapid hygiene monitoring systems, environmental collection systems, and rapid dilution devices. Hygiena products are distributed in over 50 countries worldwide by more than 100 distributors.

Based in Camarillo, CA, Hygiena also has a satellite office in the United Kingdom.
