Enviro-Solutions & Nuance Sign Pact

October 30, 2008 — Enviro-Solutions, Inc. and Nuance Solutions have entered into a joint venture/strategic marketing and production agreement.

Under the terms of the agreement, Nuance Solutions will manufacture and market Enviro-Solutions products for delivery to the western half of the United States.

One goal and a significant aspect of the arrangement is that with the added manufacturing capabilities in Nuance's hometown of Chicago, IL, will reduce freight costs to customers in the middle, southern, and western portions of the United States, the EnviroSolutions press release said.

About Nuance Solutions

Bullen Midwest (d.b.a. Nuance Solutions) is a 35-year-old manufacturer of cleaning chemicals.

About Enviro-Solutions

Headquartered in based in Peterborough, Ontario, Canada, Enviro-Solutions is a leading manufacturer of environmentally preferable cleaning products. For more information, visit www.enviro-solution.com.

2008 Show Bucks Association Event Trends

ISSA/INTERCLEAN® North America 2008 posted an 18 percent increase in buyer firms—distributors, building service contractors, and in-house service providers—and an 11 percent increase in buyer-attendee personnel over last year. A total of 16,233 people registered. This is while more than half of all association events posted declining or flat attendance in 2008, while even more reported only single-digit growth.
