Press release date: May 3, 2011

Mukilteo, WA - May 3, 2011 - William H. "Mickey" McKee has just been hired as the new Vice President of Sales and Marketing for HydraMaster (www.hydramaster.com), manufacturers of truckmount carpet extractors, and U.S. Products (www.usproducts.com), which manufacturer's portable carpet extractors, floorcare equipment, and related accessories.

Mickey's team will consist of Sales, Customer Service, Inside Sales, Technical Support and Marketing.

Currently living in the Chicago area, McKee will be moving to the Seattle area, where the divisions are based.

According to Phil Sis, General Manager of both HydraMaster and U.S. Products, McKee has been involved in sales and marketing for more than 30 years.

Previously, McKee was Director of Sales and Dealer Development with Federal Signal, a 100-year-old company that designs and manufactures products and solutions for municipal, governmental, industrial, and institutional governments.

He also has worked for Johnston Sweepers, manufacturer of outdoor surface cleaning equipment, and Super Products, a leading manufacturer of vacuum trucks, combination sewer cleaners, and hydro excavators.

"We are very excited that Mickey will be joining us," says Sis. "His many years of sales experience will help us focus and build both brands so that we can better meet our customers' needs."
