CHICAGO -- Enviro-Solutions, a manufacturer of Green cleaning chemicals, has announced that Scott Thomson, president of ECO-CLEAN of New England, a newly formed Portsmouth, NH manufacturer's rep firm, has recently taken on the Enviro-Solutions line.

Thompson represents other leading lines including Cleanfix, EES, Vonschrader, and Milwaukee Dustless Mops. His company will be representing Enviro-Solutions in Massachusetts, Connecticut, and Rhode Island.

"Scott has a strong formal education augmented by a solid, successful sales and management career," says Mike Sawchuk, vice president and general manager of Enviro-Solutions. "He has past experience with the food service industry working with a national distributor of foodservice items."

Sawchuk adds that with the growing interest in "proven" Green cleaning chemicals, along with Thompson's solid sales background and passion for Green, "we are confident that Scott will bring significant value to our distributors."

Scott may be reached at 207-450-3807 or offshoremaine@comcast.net.
