### **One-Pass Cleaning**

November 30, 2007

The new Agitator 18 from U.S. Products is so effective that it cleans most carpeted areas in just one pass. That's because it first agitates the carpet to loosen dirt and soils. Then it rinses the carpet with dual spray jets and extracts with its powerful, three-stage vacuum system.

The Agitator 18 has an 18-inch cleaning path, automatic chemical-metering system, and the unique EZ-Pull belt, which straps around the user's waist to help pull and maneuver the machine without stress or strain.

For more information or to view an action video of the Agitator 18, visit [www.usproducts.com](http://www.usproducts.com),

or call toll-free: 800-257-7982.

## About U.S. Products

U.S. Products has been manufacturing carpet, drapery, upholstery, restoration, and ceiling cleaning equipment for more than 25 years. The company is well known for its innovative internal heating systems that deliver 212 degrees at the wand tip, top-quality components, and solid-state circuitry for precise operation and equipment control.
