News Story

Floorcare System maintains sports facility wood floors.

February 8, 2008 - Suited for use in schools and facilities, ProCourt VOC compliant and MFMA approved floorcare system offers water-based and solvent-based seals and finishes along with floor-preparation and maintenance products. Water-based finishes will not yellow, are burnishable, and provide hard surface. Solvent-based sealants and finishes are developed for newer floors, helping them maintain smooth, even finish, and deep gloss.

About Pro-Link

Pro-Link, which was founded in 1984, is a national full-service janitorial supply, marketing, and buying organization. Based in Canton, MA, this jansan-focused organization currently has more than 70 members and over 100 distribution points throughout the United States. Pro-Link provides its distributor-members and customers with a nationally-recognized brand of high quality products and services that help deliver consistently cleaner facilities at lower total cost. With a sales force of industry professionals, the organization also provides national field support, troubleshooting, and training for members and end-customers. Pro-Link has developed a sophisticated program for national accounts allowing for centralized procurement, online ordering, and advanced reporting, all supported by fast delivery and service.
