Press Release

Release date: May 21, 2008

A Green Floor Stripper with Punch

The problem with a lot of Green floor strippers is they just don't work as well as conventional strippers. Now Pro-Link introduces a Green Seal(TM) certified stripper that packs a punch and can challenge any conventional stripper.

This Environmental Floor Stripper has a pH no higher than 12.0, has minimal VOC levels, produces little odor, does not contain all of the traditional chemical ingredients known to be harmful to users and the environment, is dye and fragrance free, and is easy to use.

About Pro-Link

Pro-Link, which was founded in 1984, is a national full-service janitorial supply, marketing, and buying organization. Based in Canton, MA, this jansan-focused organization currently has more than 70 members and over 100 distribution points throughout the United States. Pro-Link provides its distributor-members and customers with a nationally-recognized brand of high quality products and services that help deliver consistently cleaner facilities at lower total cost. With a sales force of industry professionals, the organization also provides national field support, troubleshooting, and training for members and end-customers. Pro-Link has developed a sophisticated program for national accounts allowing for centralized procurement, online ordering, and advanced reporting, all supported by fast delivery
