SEASONED EXPERT JOINS PRO-LINK

CANTON, MA — August 9, 2006 — One of the JanSan industry's most experienced sales professionals, Joe Flanagin, has recently joined Pro-Link as Director of National Accounts.

With more than 70 members nationwide, Pro-Link is a national full-service janitorial supply organization based in Canton, MA.

Flanagin was formerly with Tornado Industries, Chicago, IL., where he was the Director of Sales for Central (U.S.) Region. Among his duties was to manage the company's sales force and service national accounts in central United States.

Before joining Tornado, Flanagin worked for several years in the safety supply industry in Kansas City, MO., which is where he currently resides.

"We consider Joe a major asset for Pro-Link," says Doug Leaman, the company's Vice President of Sales. "He has a proven track record in the JanSan industry and will help Pro-Link build and solidify

relationships with national accounts."

Leaman adds that Flanagin is just one of several new people that have recently joined Pro-Link.

"Pro-Link has experienced significant growth in the past few years," he says. "We are hiring more people to help us manage this growth as well as take the business to an even higher playing field."

About Pro-Link

Pro-Link, which was founded in 1984, is a national full-service janitorial supply, marketing, and buying organization. Based in Canton, MA, this JanSan-focused organization currently has more than 70 members and over 100 distribution points throughout the United States. Pro-Link provides its distributor-members and customers with a nationally-recognized brand of high quality products and services that help deliver consistently cleaner facilities at lower total cost. With a sales force of industry professionals, the organization also provides national field support, troubleshooting, and training for members and end-customers. Pro-Link has developed a sophisticated program for national accounts allowing for centralized procurement, online ordering, and advanced reporting, all supported by fast delivery and service.
