

Enviro-Solutions Introduces Soy-Based Hand Cleaner

06/01/2006

PETERBOROUGH, ONTARIO—Enviro-Solutions introduces ES59, a highly effective, sustainable, and environmentally preferable soy hand cleaner for use in all types of facilities.

ES59 is a medium- to heavy-duty hand cleaner. It contains scrubbing particles made from walnut shells to safely remove ground-in grease on hands and skin.

A premium, safe, and high performance hand cleaner, ES59 has a pleasant fragrance, is concentrated so it is economical to use, and contains emollients to help prevent dry skin.
