[SystemSure Plus Makes Sure it's Clean](#)

Hygiena, has just released its newest rapid detection equipment system, the SystemSURE Plus ATP hygiene monitoring system. This new sanitation monitoring system is used to gauge performance of cleaning processes and to verify that cleaning has been done. The SystemSURE Plus detects both microbial and non-microbial contamination in just 15 seconds allowing cleaning professionals to verify cleaning on the spot and record the results.

For more information, visit www.hygiena.net or call toll free (805) 388-8007.
