[Lightweight Labor Saver](#)

Tornado introduces an all-new backpack that's light, powerful, and Green. The PV 6 Pac-Vac® backpack vacuum cleaner weighs less than 11 lbs. but has a super-quiet yet powerful 1.9-hp vac motor generating 90 in. of lift and airflow of 120 cfm.

The PV 6 Pac-Vac is a true-HEPA machine. Not only does the HEPA exhaust filter trap more than 99.9 percent of contaminants from becoming airborne, the entire casing of the machine is airtight, preventing dust and soils from escaping. For more information, visit www.tornadovac.com or call 800-VACUUMS.
