U.S. Products introduces the Agitator 18-a new self-contained, high production, walk-behind carpet extractor.

Available with an 18-inch cleaning path, the new Agitator 18 applies chemical to carpets, agitates the chemical, applies fresh water to remove soil and chemical, and then removes soiled water with a powerful vacuum system-all in one easy pass.

Plus, this unit comes with the EZ-pull ergonomic belt. Studies indicate the EZ-pull ergonomic belt reduces back strain by 18 percent, elbow strain 60 percent, and shoulder strain 80 percent. And with reduced strain, operator efficiency increases by 15 percent.
