[Colorful and Waterless](#)

Notice how most public restroom fixtures come in every possible color - as long as it's white? Waterless No-Flush™ urinals has changed all that. Today's Waterless high-performance composite (HPC) and vitreous china (VC) urinal systems come in more than 16 colors and in both solid and granite finishes. Along with being more sanitary and saving as much as 45,000 gal. of water per day, Waterless No-Flush Urinals are now available in every possible color-including white. For more information, visit www.waterless.com.
