Tornado's P Series floor machines are about the toughest, most durable in the industry.

### Hello and Welcome! A Quick question, please?

Were you aware of this company or its products before seeing this new product announcement or company news item?

- Yes     No

These high-output, 1.5 hp, 175 rpm machines are available in 17- and 20-inch widths. With triple planetary all-steel gears for smoother performance, they are engineered with a patented, nonconductive, one-piece rotationally molded body.

And all key components are completely enclosed.

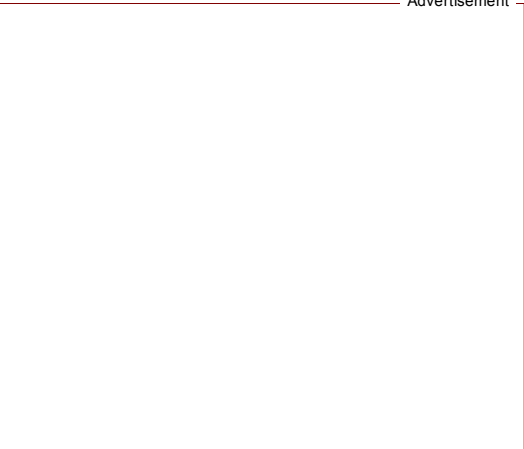

In addition, we made it easy for you to change pads and access the motor housing. An optional, easy-to-add three-gallon tank
