

Original Press release

Kaivac, Inc.
401 S. Third St.
Hamilton, OH, 45011
USA

Fit to Grow and Fit to Clean

Kaivac's all-new OmniFlex Crossover Cleaning system is fit to grow, but what's even more important is it is fit to clean just about any surface anywhere.

The OmniFlex starts with the industry's most versatile trolley-bucket system. Multiple tool rack options are available and can be added to the trolley-bucket so tools are always at hand.

From here, users can power up by adding several low-cost but high-performing components including a spray-and-squeegee system for cleaning floors or a complete spray-and-vac system for cleaning restrooms, counters, and fixtures.

For more information, call 800-287-1136, visit www.kaivac.com, or scan:

The President of Kaivac, Robert Robinson Sr., who has been in the janitor industry for more than a decade is available to discuss janitor industry issues and trends. He may be reached by calling: 800-287-1136
