

Carpet Extractors feature portable, upright dolly design., U.S. Products Headquarte

The new PEX series of super-quiet portable extractors from U.S. Products have an upright dolly design, large roller wheels, roller handles, and front lift so just one person can load/unload, maneuver, and transport the machines.

And they are service-friendly: all key components are easily accessed by just opening the hinged tanks.

Available in two sizes-the CRI Silver-certified 200 with adjustable 50 to 200 psi and the CRI Gold-certified 500 with 50 to 500 psi-these are high-performance machines that can tackle almost all carpet cleaning challenges.
